If the Kids in the Book Seminars are scheduled as a companion to an adult seminar, the leaders will allow the children to march in and visit the adults. In the end you'll laugh, cheer, and shed a few tears as you see them "perform" what they learned in front of the entire audience.

This small investment of time will help build a solid foundation for your child's lifetime walk. Register your kids today, and mark the date on your calendar.

WALK THRU THE BIBLE'S KIDS IN THE BOOK ADVENTURE

There is nothing more heart warming than hearing a child say after attending a Walk Thru the Bible Kids in the Book Seminar, "Thank you for coming here and teaching us about God. I have learned a lot in the Bible. I love you."

Parents and grandparents are amazed with how much the children remember, fully understand, and most importantly, apply in such a short time.

The Kids in the Book Seminars are truly an adventure tailored to children in the first through fifth grades. Active involvement in stories, games, and puzzles stimulates their

imaginations, creativity, and group participation in both The Old Testament Seminar and the New Testament Seminar.

Young believers' faith will grow. Nonbelievers may discover the depth of God's love for them.

As lifetime benefits, children will:

- Understand the big picture of the Bible
- Learn hand signs for key people, places, and events
- Meet beloved biblical characters up close and personal

We promote continued Bible study by asking children to write to us when they complete the 30 Bible studies included in their workbook—
